PALMETTO 5K COURSE MAP

The 5k course will start at Plex Indoor Sports located inside the Village at Sandhill at 7:15am. The first mile will take you through the Village at Sandhill before exiting onto Clemson Road. Mile two is a mix of flat and small hills before taking the exit ramp on to Two Notch Road. Once down the exit ramp, you'll loop back up the on ramp and back on to Clemson Road for your return back to the Village. You will finish at the fountain in the center of the Village at Sandhill. This course should be a fairly flat course with just a few hills and a great course to run or walk!

Food, vendors and kid's activities will be located at in town center directly beside the fountain.
